**In the Province we celebrated:**

Days 11 and 12/11/2022: Our last Assembly as a Province, with the theme: Rescue of the walk as a Congregation - 180 years, 59 years of Mission in Mato Grosso and 32 years of Holy Spirit Province.

The Assembly had three moments:

**1st Moment, prepared in advance:**

Service from the decades of 1963 to 2022. As a Congregation - 180 years, 59 years of Mission and 32 years as a Province. Each Community was given a decade to make the serving. This was presented in different modalities, according to the creativity of each one. It was a wonderful service, with the participation of all. It was all filmed and will be recorded on video.

**2nd Moment: Celebration of Thanksgiving,** with the participation of the Sisters and lay people with their families - 60 people; Bolivia participated online, due to border blockades.

**3rd Moment: fraternization:**

A lot of feasting, joy, active participation of all.  
It is not possible to describe what we really experienced.

It was just so wonderful. We just have to say:

**“YOU HAVE GONE AND GO IN FRONT OF US, SHOWING THE DIRECTION”  
GRATITUDE**
